

Assignment 1 - Agile with Trello

My Student Task Management Agile board

Screenshots of my trello board overboard

A screenshot of a Trello board titled "Student Task Management - Agile Board". The card is in the "In Progress" column. The title of the card is "As a student, I want to list and organize my daily study tasks so that I can manage my time effectively.". Below the title, there are two sections: "Acceptance Criteria" and "Subtasks".

Acceptance Criteria:

- Should allow adding tasks
- Should show items clearly
- Should allow marking items completed

Subtasks:

- UI Design
- Logic Implementation
- Testing
- Review

At the bottom right of the card, there is a "Comments" section with a comment from "ARJUN ANIL" added 49 minutes ago.

A screenshot of the same Trello card from the previous image, but with more detailed information visible. The card title is now bolded: "**As a student, I want to list and organize my daily study tasks so that I can manage my time effectively.**".

Below the title, there are additional fields: "+ Add", "Checklist", "Members", and "Attachment". There are also "Labels" and "Due date" fields set to "13 Dec, 16:56 Due soon".

The "Description" field contains the placeholder text "Add a more detailed description...".

The "Acceptance Criteria" and "Subtasks" sections are identical to the first screenshot.

Story details of a particular task
